Enroll for the most comprehensive five-day class on computer forensics available. This course focuses on real-world scenarios and is instructed by leading computer forensic experts who have trained soldiers to perform forensic analysis in the Mideast as well as members of Federal and State law enforcement agencies. You'll pay thousands more elsewhere for training that even comes close to what you will receive in this class.

Retail Price: \$2700.00

**Your Price: \$1700.00**

THIS CLASS WILL HELP  
PREPARE YOU FOR BOTH  
THE ACE AND CSFA  
CERTIFICATIONS

Purchase orders, checks, and credit cards accepted. Several ways to enroll and assure yourself a seat.
